FRIDAY JULY 29, 2022

**8:00 am Reverend Robert Garon, Mass,
Registration and Continental Breakfast**

9:30 am Welcome and Prayer

**9:45 am The High Risk Pregnancy
Paddy Jim Baggot, M.D., OB/GYN, DABMG**

Your client tells you that her doctor has told her that she needs to abort because the pregnancy is high risk to her health or because her baby has a severe disability or health problem. How can a pro-life counselor respond effectively with practical, compassionate and realistic help and information?

10:45 am Break

**11:00 am Facing the Challenge of a Contraceptive Culture With Hope
and Courage Through Natural Family Planning –
Sheila St. John**

Understanding NFP as a prophylactic tool to prevent abortion. How to build confidence and empower women, single or married, decrease their vulnerability to the pressures they encounter. This is consistent with the values of a pregnancy resource center,

12:00 Lunch

**1:30 Developing Leadership Skills in the Next Generation –
Amy Davis**

Discussion on how to train the next generation in leadership skills and equip them with the knowledge to make healthy choices on life issues.

2:30 Refreshment Break

**2:45 Transgender Issues: A pro-life Understanding –
Luisa de Poo, LP, MA**

This presentation will cover the origin of this ideology. How media has manipulated the information/research and how it is reaching our public schools.

3:45 Break

4:00 What is Your Cycle Literacy? -- Sheila St. John (2nd talk)

Study the scientific basis for modern methods of Natural Family Planning. Gain skills and knowledge that will enable us to speak more confidently with the women we serve about understanding their cycle and their fertility.

5:00 Closing Remarks - Emcee

SATURDAY JULY 30, 2022

8:00 Rev. Robert Garon Mass,

Registration and Continental Breakfast

9:30 Welcome and Prayer

9:45 How and Why to Wait Until Marriage for Sex - Luis Galdamez

Based on his own dramatic past and experience, Luis will share with you ways to connect with the younger generation. He describes the benefits of a lifestyle of practicing chastity and abstinence.

10:45 BREAK

**11:00 Insurance Coverage—Are Your Centers Adequately Protected? –
Ron Renzi**

Is your center adequately protected? How to safeguard your center from undue risk.

12:00 Lunch

1:30 Managing Emotional Burnout – Phil Sandoval

Too often caregivers neglect their own emotional needs when working with people in need. Days, weeks, and years of non-stop giving, without refreshment of the mind, body, and spirit can lead to many negative states of mind including, cynicism and loss of focus. In this course we will discuss causes of emotional burnout, the limitations of empathy, and ways to refresh ourselves while helping others.

2:30 Refreshment Break

2:45 The Art of Fundraising - Lori DeVillez, BA

Add some innovative and engaging new strategies to your fundraising plan. How to research for new donors, develop a compelling message, and learn the art of “the ask” so that you get a “yes”.

3:45 BREAK

**4:00 Recognizing Signs of Human Trafficking Survivors -
Kayla Campbell**

If a trafficking survivor came to you for service, would you know the signs to look for to recognize their situation? This session will equip you to recognize signs of trafficking, become familiar with human trafficking statistics, understand grooming and to provide an introduction to complex trauma (c-ptsd) styles of relating, and ways to best engage the survivor.

5:00 Closing Remarks - Emcee
